HelloSign

You will shortly receive an email from HelloSign with further instructions on how to activate your account.

HELLOSIGN

a Dropbox Company

Thank you for choosing HelloSign as your eSignature provider!

Your HelloSign Enterprise account has been provisioned and you should have received an "Enterprise Quote" activation email from HelloSign. Please look for this email with the subject line, "Thank you for choosing HelloSign!" and follow the instructions to finalize the activation process.

Your subscription information:

- Team ID: testTeamId
- Email: thambq1@gmail.com

Please note that although your Subscription is active, after accepting the activation quote you will still need to take a moment to add your team-members for the first time. You can do so by following these steps:

- Accept the activation quote (as mentioned) and navigate to your Teams page (available on the left navigation bar)
- Invite your team-members by entering their email into the invite form
- Invite as many team-members as you like up until the number of licenses you have provisioned. You can always return to this page later and adjust the members of your team or invite additional members (up until your license limit).
- Once a team member is invited they will receive an email they will need to accept in order to join the team and begin using the platform.

Thank you and enjoy HelloSign!
